Holyoke and surrounding communities. 40% of HALO's enrollees are Hispanic
surnamed, 2% are black, 55% are caucasians, and 3% are Southeast Asian refugees.
75% are below the poverty level and almost 100% are school drop-outs.

Program Abstract HALO's projected enrollment is 300. Approximately one-third
should be enrolled in the ESL component, the remainder traditionally have scored
below the eighth grade level on entrance examinations. Therefore, they are placed
with appropriate programmed materials between grade levels 1-8. Rarely does anyone
function in the 9-12 category upon initial entry. Life coping skills will play a
major role in all programs, as well as writing, grammar, and mathematics.
